Alto Dining

Montalto's Alto Dining experience is held in our private Wine Room which is located above our Cellar Door and allows a spectacular birds eye view of our 50-acre property.

The space overlooks produce gardens, vines, olive groves and sculptures leading down to our picturesque lakes and wetlands.

In the evening the architectural features of the space create an elegant ambience. Come and dine with your closest friends, family or work colleagues for an our of the ordinary experience.

Alto Food & Beverage Options

The Alto Dining experience consists of an 8 course tasting menu with matched wines, carefully selected by our Sommelier and your own dedicated wait staff for the evening.

Our Chef chooses the menu for you based on our best garden produce, however we are happy to tailor the menu to your preferences.
