Our 'hills' logo invokes the view from The Restaurant at Montalto, across to the treeline on our south facing Pennon Hill.

The Mitchell family have been vignerons in Red Hill since 1999, with our Estate wines reflecting balanced vine physiology and meticulous attention to detail across our up-hill and down-hill vineyards.

We've been orchestrating picnics at Montalto since we opened in 2002 and they are a much-loved offering on our estate.
